Notwithstanding the Senators got more hits than the Tigers in the game at Detroit yesterday, the latter team won the game by the score of 7 to 3. The Tigers were able to bunch their hits off Hughes to such effect that every safe one counted in the run column, while Washington failed to hit opportunely. Robinson, who played left field for the Detroits yesterday, was the star of the game. He negotiated a base on balls, a triple, a two-bagger and a single in four times up, and besides made

a fine catch in left garden. In the eighth inning Jake Stahl got his head in the way of one of Kitson's shoots, and the Senators' big first baseman was knocked down unconscious. It was a hard blow, but Stahl was soon resuscitated, and gamely insisted on continuing in the contest, being enthusiastically cheered by the crowd. Hill carried off the fielding honors, eating up numerous drives between second and third and getting them over to first in fine style. He also batted in good form,

his hits being timely.

In the fifth Washington scored one run as the result of O'Neill's bingle and Cassidy's hard drive to center. The Senators' run in the eighth was due to O'Leary's throwing Cassidy's grounder into the cov-ered stand. In the last inning Huelsman doubled and O'Neill brought him home with

a bingle.					****

BROKE THE RUN RECORD.

Foundry Players Wear Themselves Out Scoring Against Mt. Vernon. With a very dilapidated team the Mt. Vernons showed up on the White Lot ellipse yesterday afternoon so as not to make a break in the regular schedule and were beaten by the bunch of ball twirlers that hall from the Foundry Methodist Church by the score of 26 to 2. This breaks the records of runs in one game, which was formerly held by the Mt. Pleasant Congregational team. The former record was 25 runs.

The Foundry team started in to do their worst when the first man came to the bat, and before the inexperienced "Green Socks" were aware of it the batting order had gone around twice. During the first and the second innings they had an easy time with Fields, who started to do the twirling, but when he was supplanted by Krauss the Foundry team cooled down and touched the "bowler" very little. ouched the "bowler" very little.

Fourteen errors is the record of errors that the Mt. Vernon aggregation made, and some of them were of the worst sort. Krauss and Erwin were the "stars" for Mt. Vernon, the latter named making three of the four hits that were made of the Foundry lads.

ST. STEPHEN'S DEFEATED.

Lost Closely Contested Game to Carroll Institute Players.

For seven innings the Carrolls and the nine representing St. Stephen's Institute battled for supremacy yesterday afternoon on the White Lot, the former winning by the score of 7 to 6. This defeat took St. Stephen's out of first place in the Capital City League and advanced the Turners to that position.

Costly errors by St. Stephen's players at critical times contributed to the Carrolls' victory. The latter team took the lead in the first inning with two runs, adding another in the second. St. Stephen's came back in their half of the second and passed the Carrolls and held the lead until the sixth, when the Carrolls began batting and St. Stephen's made misplays. ROCKVILLE AGAIN DEFEATED.

Brown, for Takoma, Pitches a Splendid Game. The Takoma base ball team, playing on its own grounds yesterday, continued its splendid record by administering a defeat to the strong Rockville Independent team, making the second defeat that it has meted out to this team within the last week.

Brown, the Takoma crack twirler, was in unusually good form, having fifteen strikeouts to his credit, allowing only four scattering hits and granting but one pass to first. Brown also received good support from the team back of him.

The Rockville boys played rather a loose game in the field and coupled with their in-

ability to solve Brown's delivery they were defeated by the rather one-sided score of The largest crowd of the season turned out to witness the contest.

Palmbearer, after Fort Hunter had stopped, went on and took place money by three lengths from Rosewater, 10 to 1, who closed strongly.

Sydney Paget's Teacress, 3 to 1, second choice, took the first race, for two-year-olds, at five and a half furlongs. Thirty-Third, 10 to 1, made the race to the last furlong pole, where Hildebrand cut loose with Teacress and won easily by a length and a half.
